

# HANGING AND STACKING PART BINS

Choose from 15 LEWISBins+ stackable polypropylene small parts organizing bins, designed to function individually or as a system. These high-performance bins are used for secure storage of small parts in industrial assembly operations, healthcare, stockroom, warehouse and hardware merchandising applications.

- 8 sizes available (6 optional molded-in dividers).
- Label insert area for easy identification.
- Bins hang on most louvered panels or rails. (see pp. 4-9 for Metal Storage Systems)
- Smooth inside gravity flow interior optimizes parts accessibility.
- "X" designates molded-in dividers.
- These products are also stocked in ESD-safe material. See page 29 for details.

PB50	-	NC505*

\* Available on a make-to-order basis. Please call for more information.

**Clear Covers** are injection molded from clear acrylic. Covers fit parts bin models: PB10, PB20, PB22, PB30

## Kitting Bins

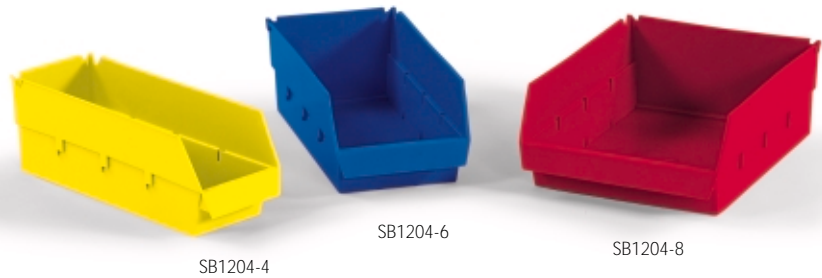

Container Model	Outside Dimensions (in)			Inside Dimensions (in)		Weight (lb)	Carton Quantity
	L	W	H	L	W		
SC43-5* (Kitting Bin)	5.1	4.0	2.5	4.6	4.0	0.3	48

\* Available on a make-to-order basis. Please call for more information.

**Kitting Bins** feature a molded hinged front that snaps into a closed position for added product protection. Hangs on most louvered panels and work station bin rails. Bins stack securely on top of one another to provide flexibility in building storage modules.

LEWISBins+ features Shelf Bins available in 6 sizes and 3 colors. Stop replacing worn out corrugated boxes and buy a durable solution that will not break down with time. These long-lasting polypropylene bins are available in industry standard sizes to fit 12" 18" and 24" shelving.

- Designed to work with 12", 18" and 24" shelving to enhance inventory control and part organization.
- Hopper front optimizes part accessibility.
- Bins nest when empty to save space.
- These products are also stocked in ESD-safe material. See page 28 for details.

SB1804-7

Please provide IDs, if they need to be included.

## SB2404-7 SHELF BINS

- Larger label area (2.0"H x 6.25"W)
- Larger molded-in ridge allows bin to hang on multiple styles of shelving.
- Rolled rim to stiffen bin and reduce twist.
- Secure 2" engagement of DSB24-7 divider eliminates part migration.
- Each bin accommodates up to 7 dividers.

SB2404-7

## Width Dividers

Model	Fits Shelf Bins
DSB-4	SB1204-4, SB1804-4
DSB-6	SB1204-6
DSB-7	SB1804-7
DSB-8	SB1204-8
DSB24-7	SB2404-7

Available Stocked Color: ● Black

Optional dividers slide in easily and lock securely to eliminate part migration. The 12" and 18" bins can accommodate up to 3 dividers.
